

# AC Cobra Superblower

*Anniversary Edition*

To celebrate AC Cars' 120 incredible years of automotive history, we have released the Anniversary Edition Superblower. A very limited run of just 12 cars – one for each decade – will be custom-built, individually numbered and listed in the 'AC Bible', securing its future valuation.

Possibly the fastest production AC Cobra ever built, the Anniversary Edition Superblower boasts high specifications:

Original-style four-inch round tube ladder frame chassis, 6.2-litre 650 bhp Supercharged V8 engine, six-speed gearbox, aluminium radiator and header tank with electric cooling fan, high performance servo-assisted race specification calipers with ventilated disc brakes, 3.45:7 ratio limited-slip differential, front and rear multi-link suspension with coil over shock absorbers, front and rear anti-roll bars, pin drive 7.5" x 15" front – 9.5" x 15" rear wheels, hand-crafted interior finished in black leather, glovebox in leather, door map pockets, deep-pile carpets, leather-covered instrument panel, air conditioning and front-windscreen demister.

The retail selling price of the Anniversary Edition Superblower is £139,500, plus any on-the-road charges.

The Anniversary Edition Superblower will only be available in the following colours:

**AC**  
British Racing Green

**AC**  
Red

**AC**  
Blue

**AC**  
Yellow

**AC**  
Princess Blue
