

**AC Ace RS**  
**A continuation of the 1961 AC Ace**  
*from the original manufacturer*

The AC Ace RS is similar in detail and identical in appearance to the original 1961 AC Ace.

This latest model in the AC line-up has a 2.3 litre high-power 350 bhp engine.

AC says that this new AC Ace is a tremendous car for the times, being a lightweight traditional sports car and having an engine of high power provides a very traditional feel and driving appeal.

Deliveries will commence summer 2022.
